Re: Administrative Order Addendum
Docket No. SDWA-08-2005-0044
PWS ID #5600856

Dear Ms. Owen:

This addendum to the Administrative Order issued August 3, 2006 to the Girl Scout Council of Wyoming approves the plan outlined in the Design Report received by EPA on January 17, 2006 and subsequently revised in final April 17, 2006. The plan consists of abandoning well #1 and installing disinfection and filtration treatment to well #2, as well as adding a storage tank. The completion of this project will be prior to the Camp opening for the season June 2006.

Please contact Kathelene Brainich, Environmental Specialist, at (303) 312-6481 if you have any questions concerning this Addendum.
